Umpires																	

Scoring:

1. Mark where the batter and any runners get to on the play (preferably with a little mark to show where they stopped)

...shading in any runs and marking batter's RBIs for all runs scored (including batter's run on a Home Run)

2. Mark any outs with the out number in a circle: near the fielder who made the catch; or with a T-line if out between bases

3. Finally, if the batter is not out, circle the award: FC=Fielder's Choice; E=Error; BB=Walk; 1B=Single; 2B=Double; 3B=Triple

Fielder's Choice: batter safe but runner forced out
Error: batter should definitely have been out (or FC) except for fielder's error
